PRACE-ETP4HPC Workshop on HPC Education and Training for Industry Users

Online – March 18, 2021

Dr. Jean-Philippe Nominé

CEA

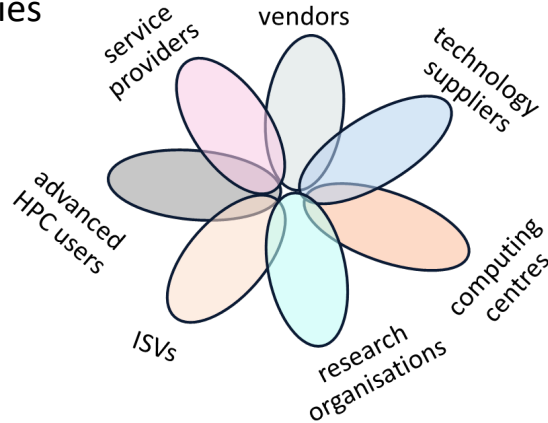

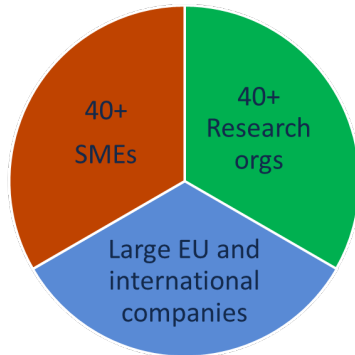

ETP4HPC Steering Board Member
and Vice-chair for Research

<https://www.etp4hpc.eu/>

We are an industry-led think-tank promoting European HPC research and innovation to support Europe's competitiveness

We have a strong focus on technologies (h/w & s/w), and are committed to developing a vivid EU HPC ecosystem all along the value chain

- Private, independent and non-profit association
- 100+ members from 23 countries

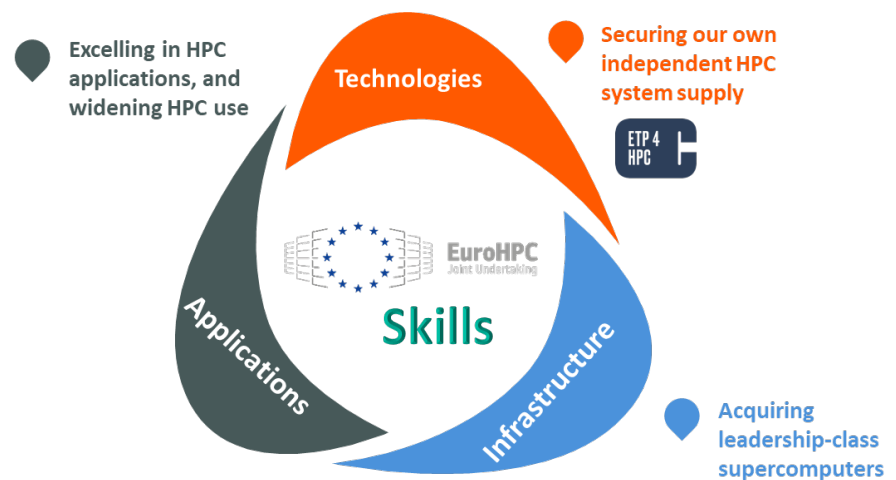

- Private member of the EuroHPC Joint Undertaking – together with BDVA
- Author of (among other publications): HPC Strategic Research Agendas, the Handbooks of EU HPC Projects
- Developing the TransContinuum Initiative

<https://www.etp4hpc.eu/transcontinuum-initiative.html>

Education and Training?

- Provided input to DGCNECT and EuroHPC on HPC E&T
 - E.g. for *H2020-JTI-EuroHPC-2020-03 – Training and Education on High Performance Computing*
- Aiming at fostering a comprehensive vision:
 - Education AND Training (initial + on the job, lifelong...)
 - Use AND Supply sides of the value chain
 - Consider Industry Needs AND also possible “active” Contributions
- **ETP4HPC prominent members talking today about their vision on HPC Skills as Users...**
 - **LEONARDO (large industrial) - ESI Group (ISV) - Cybeletech (SME)**
- **Enjoy this workshop!**
