

EURO

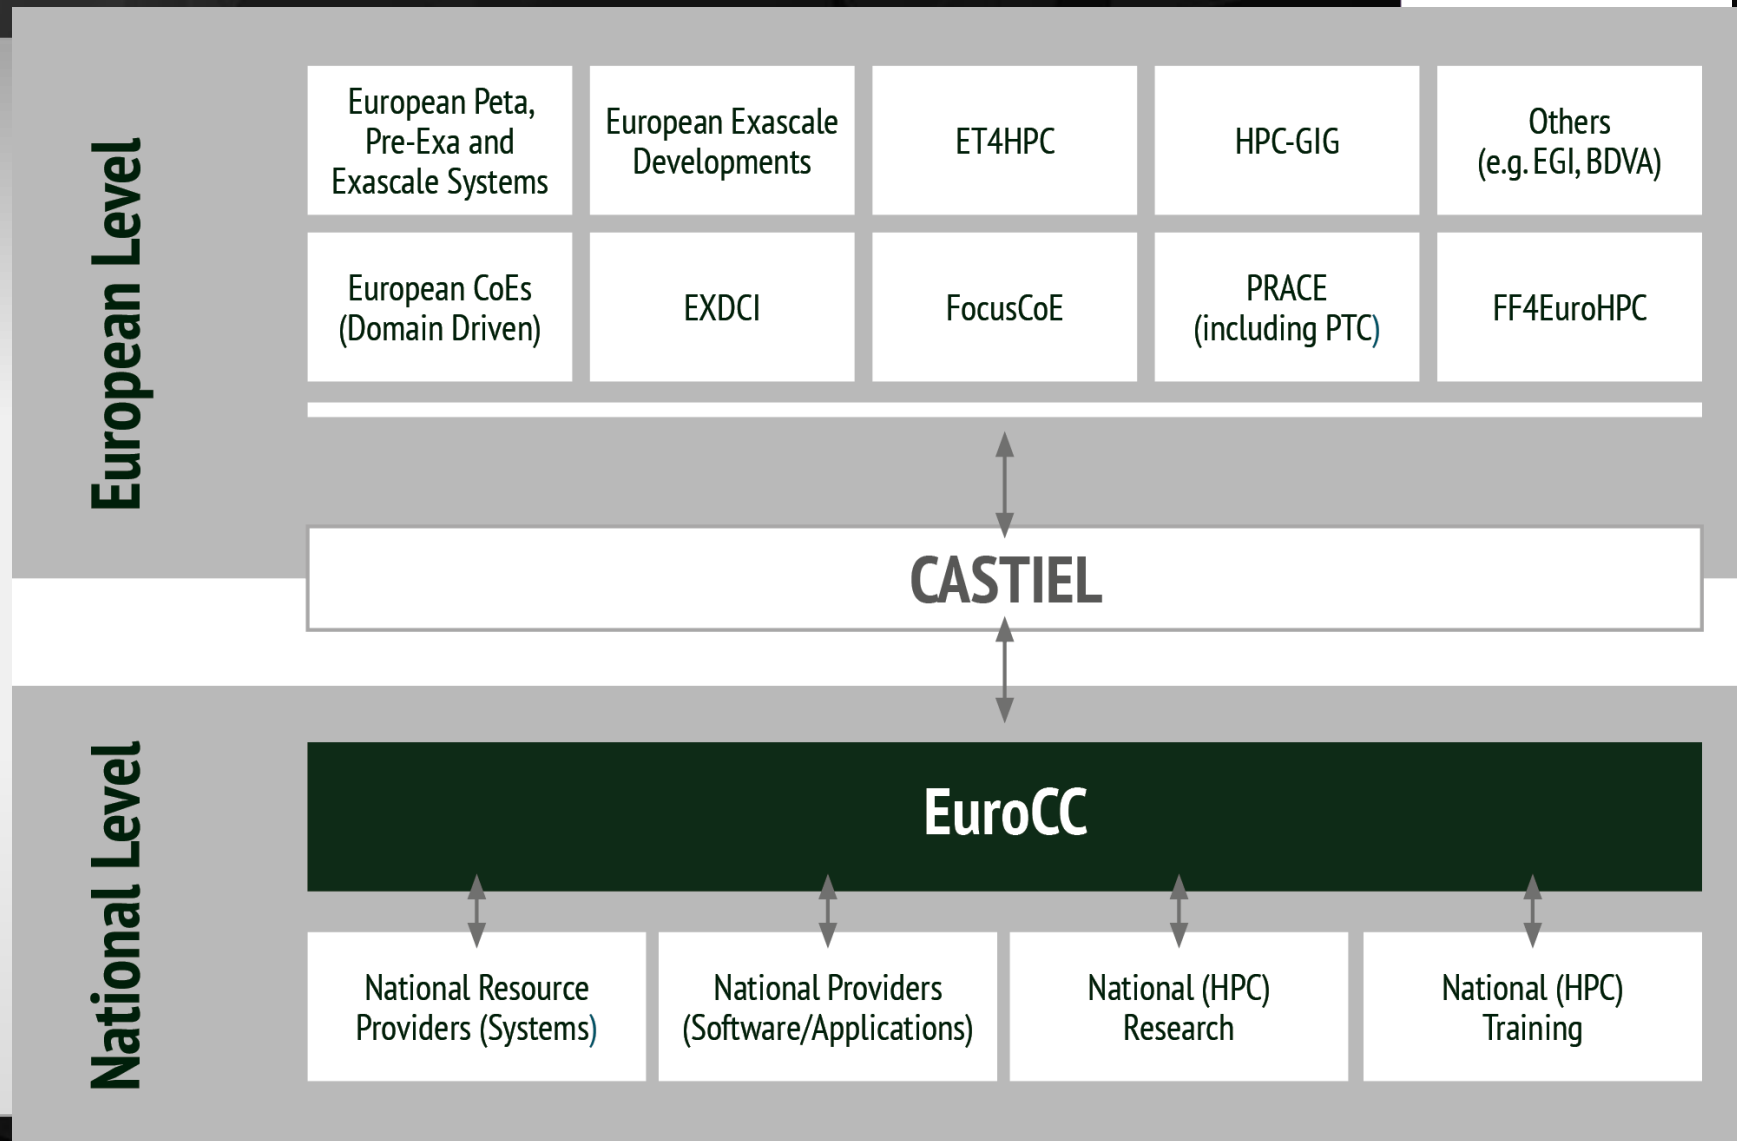

A glance on EuroCC and CASTIEL

Bastian Koller, High-Performance Computing Center Stuttgart

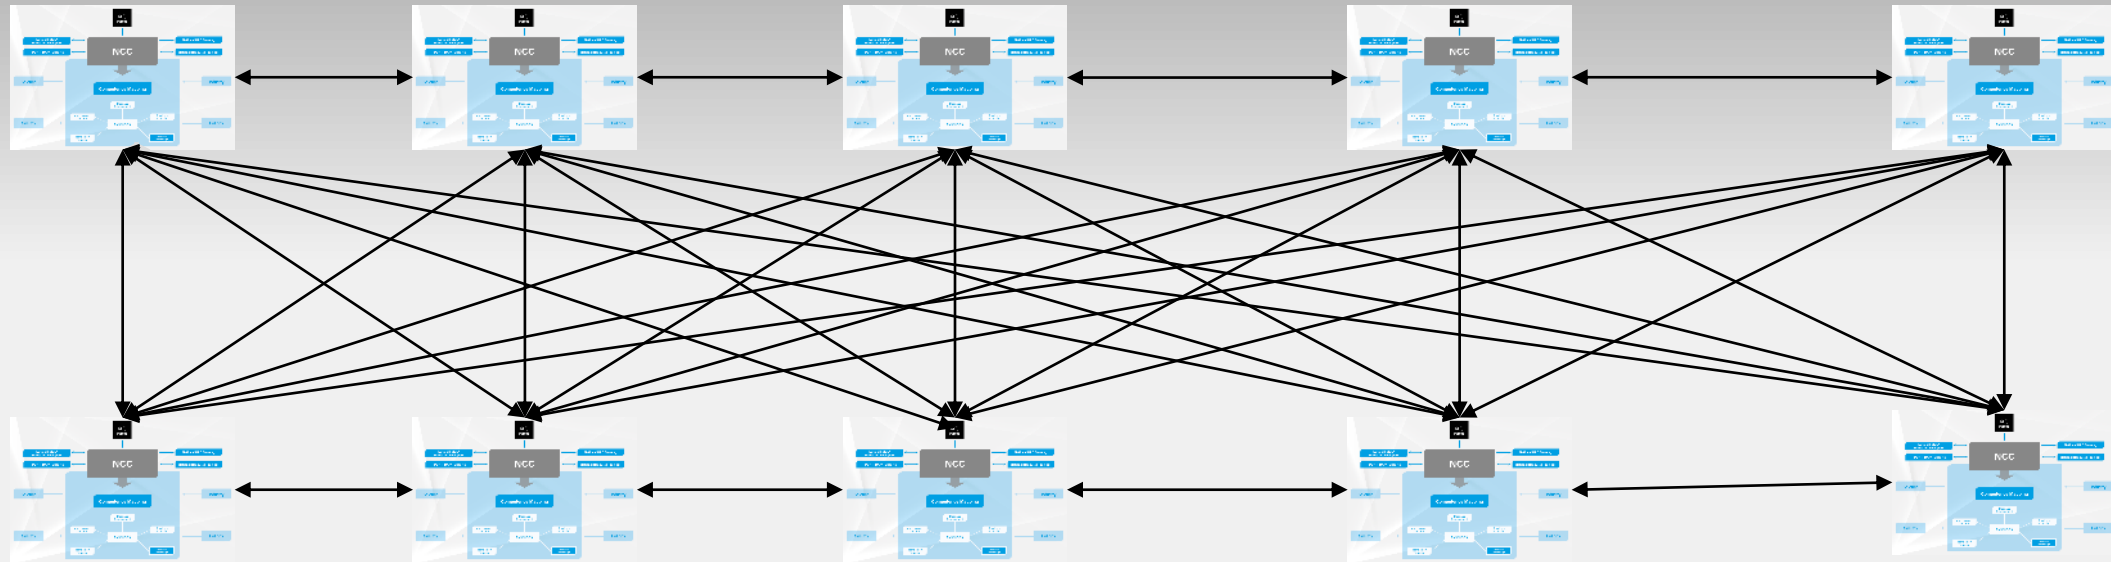

Example Structure of an NCC

Setting the scene

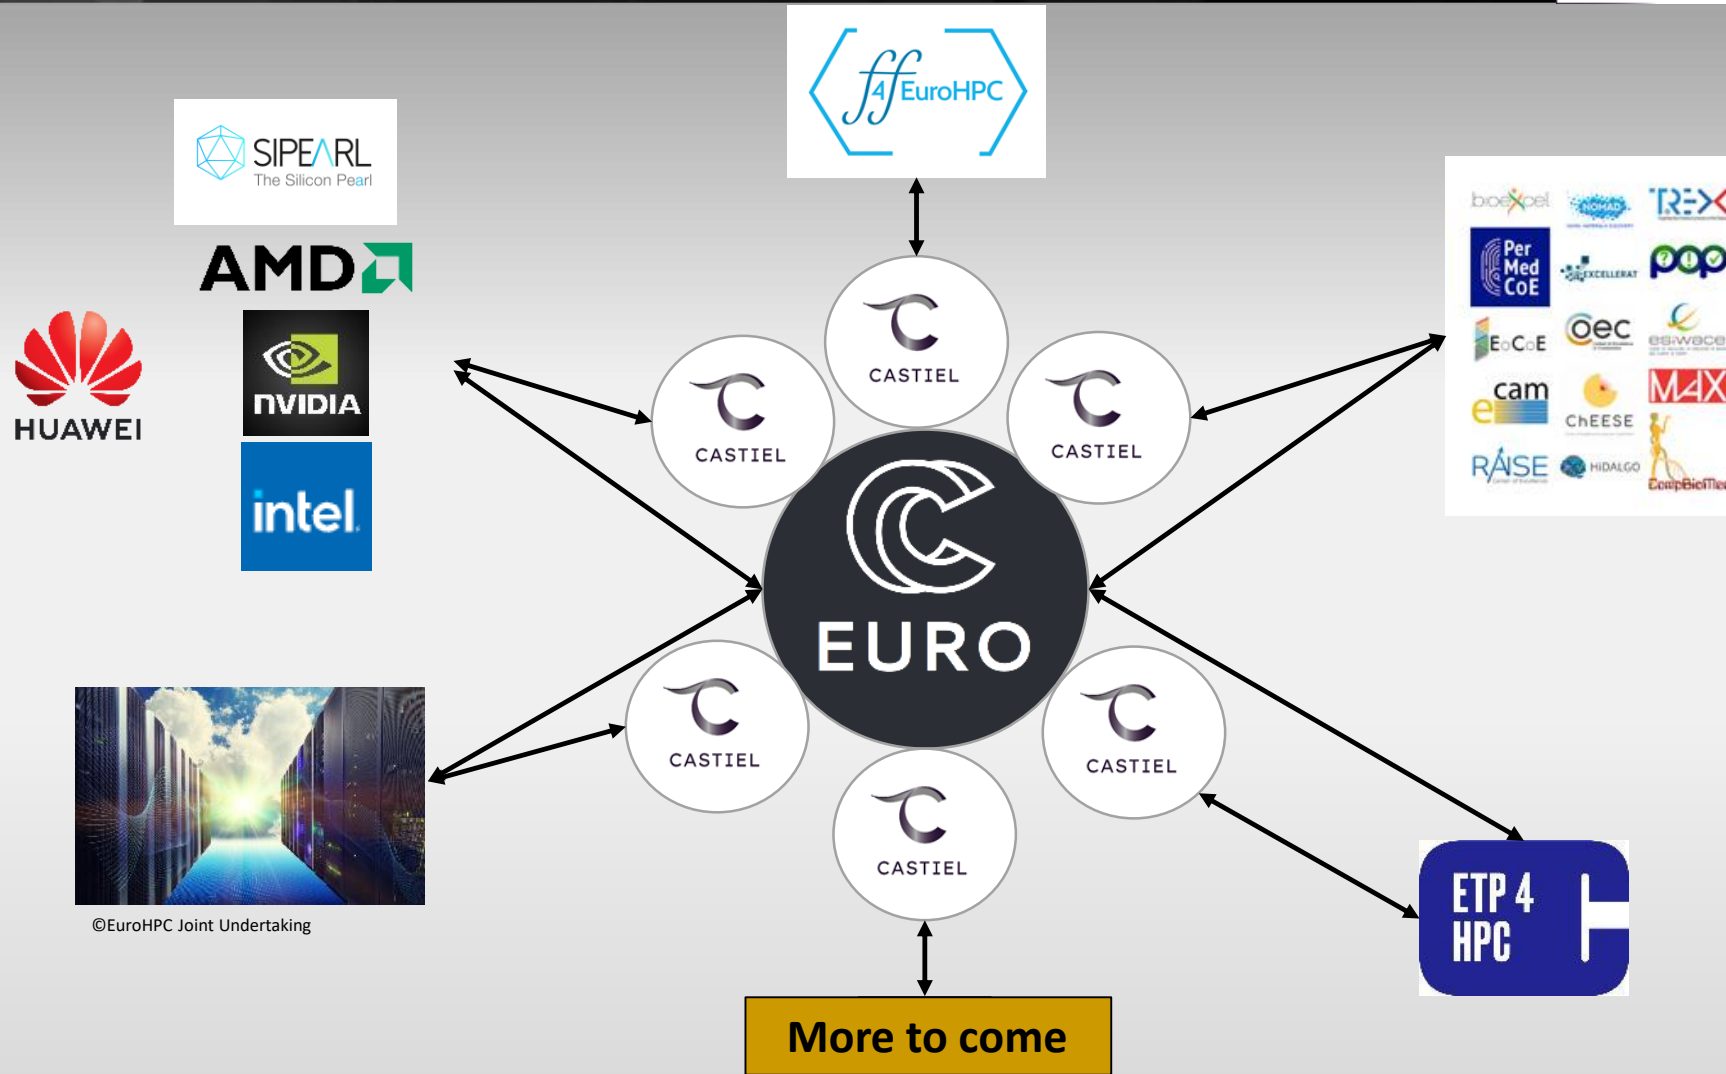

Complexity of interaction

We currently have 33 National Competence Centres!

Interactions with running activities

Conclusion

- First achievements visible
 - Relaunch of EuroCC Access will provide much better insight
- EuroCC and CASTIEL define the frame for the successful setup of the NCC Network
- Actions evolve during the execution
 - New working group on Legal issues to be established
 - Elaboration on a European and National marketplace realization started
 - More to come soon....

Thank You!
