

EuroHPC Summit Week 2022

Contribution ID: 41

Type: not specified

Concrete examples from the High Performance Computing Center Stuttgart (HLRS)

Tuesday, March 22, 2022 4:40 PM (10 minutes)

Bastian will give a glance on the world-wide collaborations of the High Performance Computing Centre Stuttgart (Germany). After this short introduction, concrete examples on the centres collaboration with Japanese colleagues and institutions will be presented, which covers a series of workshops now for 18 years, bringing together the Japanese and German HPC communities.

Presenter: KOLLER, Bastian (Managing Director, High Performance Computing Centre Stuttgart (HLRS))

Session Classification: International cooperation
