

# [ONLINE] Introduction to Scalable Deep Learning @ JSC

## Wednesday, March 16, 2022

### Day 3: Large Datasets and Scaling Distributed Training - Online (9:30 AM - 11:00 AM)

time	[id]	title	presenter
9:30 AM	[10]	Lecture 3.1: Large Datasets and Scaling Distributed Training	
10:00 AM	[11]	Tutorial 3.1: Distributed Training with ImageNet and Scaling Basics	

### Day 3: Performance analysis - Online (11:30 AM - 1:00 PM)

time	[id]	title	presenter
11:30 AM	[12]	Lecture 3.2: Is my code fast? Performance analysis	
12:00 PM	[13]	Tutorial 3.2: Tools for training performance analysis
