

PRACE Autumn School 2013 - Industry Oriented HPC Simulations

Monday 23 September 2013

Structural Mechanics: Best practices for efficient HPC performance with large models - Computing room II/5

(15:00-19:00)

time	[id] title	presenter
15:00	[21] Hands On Training with HPC	Dr HÖSSL, Bernhard
16:30	Break	
16:45	[22] Hands On Training with HPC (cont.)	Dr HÖSSL, Bernhard

Tuesday 24 September 2013

Structural Mechanics: Robust Design Optimization - Computing room II/5 (09:00-17:00)

time	[id] title	presenter
09:00	[7] Robust Design Optimization – from the idea to the optimized product	VEIZ, Andreas
11:30	Lunch break	
13:00	[20] Sensitivity analysis of a notch (cont.)	VEIZ, Andreas
